Warning: You Might Fall in Love with This Home... and Here's Why. It offers the perfect blend of comfort, style, and flexibility. A desirable open-concept floor plan seamlessly connects the spacious living room, dining area, and beautifully remodeled kitchen, creating an inviting space for everyday living and effortless entertaining. The kitchen is a true showstopper, featuring newer quartz countertops, freshly painted two-tone cabinetry, updated hardware, newer appliances, abundant storage, and generous prep space—everything you need for cooking, gathering, and entertaining. A standout feature of this home is its two primary suites, each with a private en-suite bathroom and spacious walk-in closet. Whether you're accommodating multi-generational living, hosting long-term guests, or simply looking for additional privacy, this versatile layout is a rare find. Recent updates add both style and peace of mind, including fresh interior paint, luxury vinyl plank flooring, beautifully remodeled bathrooms, updated fixtures and hardware, a tankless water heater, water softener, and a 10-stage water filtration system. Step outside to a level, fully fenced backyard with plenty of room to relax, entertain, garden, or play. With its modern updates, rare dual primary suites, and highly functional layout, this move-in-ready home checks all the boxes. Don't miss your opportunity to make it yours!
